**REQUEST FOR NEW OFFICE ACTION**

This communication is in connection with the non-final office action mailed August 18, 2010. It is not intended as a reply to such office action. It is respectfully noted that the examiner's arguments with regard to new claim 28 were incomplete. For reference, please see page 12, last paragraph of the office action which begins with "Multer does not explicitly disclose..." and ends with "however this is taught by". No further analysis is provided (page 13 commences with "Conclusion"). New claim 28 was previously added in an effort to advance prosecution of this case. The failure to examine this claim affects the undersigned's ability to reply to the office action. Therefore, it is respectfully requested that the office action be corrected and a new non-final office action providing a full argument with regard to claim 28 should be issued.
